Chalkboards in Pubs by [Jack Ropel](#)

Article published on July 5th 2012 | [Advertising](#)

When we talk about chalkboard, we associate it with classroom, but now it is been extensively used at the pubs. Chalkboard are used for displaying the menu of the bar as well as for advertising or sometimes stating their reasonable prices and themes for the parties. We are surrounded by technologies but sometimes it's important to use old traditional method which is cheaper and very effective. It is always ready to written just like pen and paper. It doesn't matter whether your business is big or small but at some point it used by every company the list out like a bulletin board.

Variety is available for chalkboards for pubs like Table top easel, Covered top unframed chalkboards, unframed chalkboards, Wall mounted framed chalkboards, A- frame chalkboards and easy change poster holder, A- Frame chalk boards A1 poster display, Table top chalkboards bundle, Slide-in table top chalkboard, easy clean portable chalkboards and Table top chalk boards. An A-Frame board is available in different colours and are design skilfully so that panels can be slide in and out of the board. To make it more appealing, the headings should be highlighted as it is visible for positive buyers. If chef has come up with a new idea during a particular season and wants to try out with a special dish then chalkboard is a good idea to go for. When the customers are well informed about the prices and new invention, they will seriously visit the pub and order for something. For advertising events a table top chalkboard can be used, so while having their dinner or enjoying their drink they can have glimpse at advertisement which may interest them to visit again. In return you do the publicity with very reasonable amount.

While purchasing a blackboard, its material should be squared thoroughly as it should be hard bearing usually made from porcelain which has the durability of 10-15 years. A sponge or an eraser can be used to remove the already written one. Well, the top chalkboards for sale are wall hanging, table top, Easel, A-frame and Novelty. A wall hanging is the best option as it is very popular and also do not require space and can install in unused wall which is visible for everyone. Second one is table top comparatively smaller but is used to advertise for events or advertise for some special schemes. Thirdly, Easel is kind of modern way of listing things of expensive products and also can used for waiting list. A-frame is the perfect way of displaying artistic way of advertising themes outside the pub. The Novelty chalkboards are children-friendly, you can get them in different shapes like scotty-dog or cat blackboard to advertise for tea and coffee. So it's important to choose wisely, as the reputation of restaurants depends on chalkboard.
