Article published on March 12th 2012 | Fashion

It is important for you to find a unique formal dress for your next exciting party. In common, there is no need for women to be too colorful and sultry in some formal occasions. And modest and simple are two main selections in some formal parties. But women always desired to shine out the crowd all the time. Now I will share some unique formal dresses styles with you, in order to bring you some inspirations. Whatâ€™s more, everyone has to admit that a unique formal gown can really reflect your individuality and create lasting formal memories which you will always treasure.

A perfect formal dress must be modest, simple and elegant. Whatâ€™s more, the one fit you must highlight your best side of your body shape, such as the long legs and your slender waist. A unique formal gown can also help you get noticed, which will be something you look back fondly on. According to the â€œmodest, simpleâ€• principle, the unique formal dresses are focused on some unique silhouettes and styles. This time, I have collected a selection of unique formal dresses and then I will introduce some for you.

Firstly, you can standout your formal party in a unique mermaid gown unlike anyone elseâ€™s. The mermaid silhouette can just make you like a beautiful lovely cute mermaid in the big sea. Have you ever heard the beautiful story â€œMiss Mermaidâ€•? Yes, you can read this story again. The fairytale mermaid can bring you elegant outlooks. And whatâ€™s more, the long mermaid formal dresses can highlight your beautiful charming cleavage and your slender waist best. You will look like a flexible fish who is warming in the blue sea freely.

Donâ€™t stand on the taffeta fabric any more. As a fashionista for womenâ€™s clothing in cocktail, prom and formal occasions, I have found that the formal dresses for women always made of the modest taffeta fabric. Yes, there is no doubt that the taffeta formal dresses are all in modest outlook. Chiffon or the luxury velvet is also good for formal. For example, a long formal dress in flowing chiffon fabric and one-shoulder style which is full of the Grecian feeling. You can add some small flowers on it. Whether you choose blue or black, the effect will be astonishing!

Whether you think that the ball gowns are out of fashion or not, you can have a try. Ball gowns are usually seen in some big proms. Now the formal ball gowns are also charming and elegant. Just donâ€™t make some colorful accessories while you are wearing the cheap ball gown formal dresses. The plain side of dress can really make a big difference for women.

Girls if you have other ideas can also share with me. As a fashionista, I will do my best to share some good collections with you.
