Condos of modern New Jersey by [Hamilton Square](#)

Article published on December 26th 2011 | [Advertising](#)

These days™ people like to lead their life as private and as nuclear as possible, but at the same time they need a society, with whom where they can share their happiness and festivity. This is why condos are very famous and useful nowadays. Condos in Jersey City were not familiar before a decade or two, but these days we can see condos of high altitude there. It is not that before a decade or two Condos were not in existence in NJ, but it that in past two decade it has become more common in practice and also famous for simple living.

Globalization of the world makes it possible that a habitant from other corner of the world comes here to settle. They need a shelter which is affordable and convenient to live. Condos has both of them, they come at very affordable price (both for sale and rental) and has all the facilities which an individual or a family requires.

There are two types of condos available in Jersey City to choose from, they are Luxurious condos and common condos. Luxurious condos in Jersey City come at a high price of [\$375,000/- approx. for 2BHK]. These condos have 10 foot ceilings of hard wood or terrazzo floors with large windows for ventilation and easy flow of sunlight. All condos in Jersey City have facilities like garden, playground, swimming pool and gym, etc.

Rental condos are also available in NJ for those who cannot afford buying one. Condos of different types are always available for sale in Jersey City, New Jersey. There are certain rights which is reserved on the name of Builder or caretaker which is reserved only to him, any owner of condos are not supposed to violate them, these rights are for common properties like lifts, lobby and for such spaces which are useful for all and is not restricted to anyone living in the building.

The bacon, Wald lofts and Hamilton Square are very famous and are among most luxurious apartments of Jersey City, New Jersey.

Did you know Hamilton Square of Jersey City was named after Alexander Hamilton in 1812 and are owned by Silverman Group.
