Playing Golf in Ireland

by Adamina Ada

Article published on January 19th 2012 | Home Business

GOLF one of the famous games for the men stands for Gentlemen only, Ladies Forbidden. Golf the game of men, is one of the most stylish games ever been. It has an elegance and ease in it. Golf is a favourite sport in many countries. Almost all countries have golf courses and encourage playing it. Like all the other games, Golf is not easy at the same time having Golf course is also not a joke.

The playing space of Golf is considered to be the biggest compared to all the other sports or games. Golf courses need huge space. Ireland one of the most favourite vacation spot is known for many of its tourist spots and ancient constructions is also famous for Golf. Many tourists love spending their leisure playing golf at the wonderful Golf Courses Ireland. Though there are many golf courses, letâ€™s have a look at some of the very famous Golf Courses Ireland:

1. The K Club

2. Waterville

3. Ballubunion

4. Royal Port Rush

5. Royal County Down

6. Portmarnock

Other than these, there are many more Golf Course Ireland, making it perfect to spend time and to learn Golf as well. As mentioned that building golf pitch is a task in itself. The turf on which the golf is played, spreading that and maintaining it is like a Marathon task. There are many turf consultants in Ireland who can help you out in building a Golf pitch Ireland. It must be known that though turf consultants are hired, they just guide you on what type of grass is best for playing and various other options that fit into your budget. The rest is your choice and decision depending upon the availability of money. Having a turf consultant is preferred because these consultants take care of the maintenance of the turf in the long run and you can be assured that in case if anything goes wrong, these turf consultants will take care of it and bring it back to normalcy.

Turf consultants also help you in getting the right turf as well. There are various types of turfs that you can use depending upon your budget. For example there are synthetic turfs, artificial grass turfs etc and many more options. Although a turf consultant would help you on this, there are various sports turf online shop which helps you to get a basic idea of the types of turfs and their pricing. This info available about Sportsturf Online Shop, helps you to negotiate the pricing and checking the quality of turfs with the Turf consultants.
