Article published on June 16th 2012 | Business

---With over twenty yearsâ€™ experience Milburn Boats Limited is one of the foremost narrow boats retailers in the country. As bespoke narrow boats for sale fitter our level of customer dedication and superior build quality has guaranteed that our core business has enjoyed swimming success since the formation of the business in 1992.

All of the narrow boats for sale that we offer are meticulously constructed and finished to the highest possible standards. Milburn Boats has a reputation that speaks for itself, and despite the fact that we have maintained the same family-run principles of the business, weâ€™ve grown to employ additional members of staff whom, without question, improve our productivity and allow us to supply you with leading contractors that bring a wealth of specialist expertise to all manner f design and construction.

Given that we are members of the Canal Boatbuilders Association (CBA), a division of the British Marine Federation (BMF), we keep constantly abreast of all current building legislation. Once you combine this with the fact that we use only innovative and pioneering techniques to construct all of the narrow boats for sale, you can rest assured that we have the knowledge, skills and techniques to craft narrow boats for sale that are of superlative calibre.

All of the narrow boats for sale that we offer is custom made in our workshop to the highest possible standards and uses only a variety of environmentally-friendly timbers. The wealth of choice that these environmentally-friendly timbers offers is simply a testament to the range of options that you can choose from to completely customise any of the narrow boats for sale that we offer. Amongst our more popular options is the ash and maple finishes. However, if you prefer a more lightweight and contemporary feel then you need only consider a traditional oak finish.

If youâ€™re interested in find out any more information regarding any aspect of the narrow boats for sale that we offer, or to read the testimonials from previously satisfied customers, then you need only come and pay us a visit online at: www.milburnboats.co.uk.
