Self Storage Solutions and Tips by Geary Stynel

Article published on June 19th 2012 | Business

It is very easy for you to become overloaded with things that you may or may not be using frequently.Objects like books, tools,equipments,appliances,etc can get accumulated over a period of time and then one day you find that you are short of storage space.If you want to make more room for yourself,but donâ€™t want to discard items from your home,you can now choose self storage Calgary solutions to store your belongings till you make more space in your homes or offices or until later use. Self storage in Calgary is a convenient,safe and inexpensive way to store your personal and professional belongings.

Storage Unit Sizes:

Reputed Moving supplies Calgary companies have all the facilities to provide a wide range of storage solutions and units to ensure that your belongings are safe and easily accessible anytime. Some of the storage units that you can choose from include

â€¢ 20 sq.ft closet size to store small household items,boxed office records and filing cabinets,seasonal tools,sports equipments,decorations,clothing, etc.

â€¢ 40 sq.ft storage unit suitable for indoor and outdoor furniture,equipments and electronics.

â€¢ 60 sq.ft storage unit suitable for appliances,books, boxes and records, wall unit and large furniture.

â€¢ 100 sq. ft, that can accommodate approximately 2 bedroom apartment goods,trade show marketing inventory/supplies,office records and furniture warehousing.

â€¢ 150 sq. ft, that can accommodate approximately 3-4 rooms of furniture and commercial inventory.

â€¢ 208 sq. ft, that can accommodate approximately 3 bedroom home with appliances and commercial inventory.

Storage Tips:

â€¢ Clean and dry stoves,cooking equipment,refrigerators and other appliances before packing and storing in boxes in Calgary.

â€¢ Store small items into large appliances and boxes and stack up on refrigerators to save space as well as on storage costs.

â€¢ Always store windows,mirrors and screens on edge and not flat.

â€¢ Disassemble furniture that can be disassembled and wrap the parts in paper.

â€¢ Use corrugated cardboard mat or pallet to stand sofas and mattresses.

â€¢ Label all your boxes.

You can insure all your goods in storage and your self storage Calgary Company will be able to provide a suitable reference to insurance companies that can provide low cost insurance coverage for your belongings.
