Sterling Silver Photo Frames by James Blee

Article published on June 17th 2012 | Business

Located in the north east of England in a town called Washington, weâ€™re proud to be considered one of the foremost retailers of Sterling silverware. From Sterling silver photo frames to cufflinks and money clips, and even bookmarks and baby rattles, Washington Silverâ€™s range of products are as diverse as the Sterling silver itself is flawless. Each of these Sterling silver photo frames, and indeed all of the products that we can offer, are highly affordable.

Here at Washington Silver we take immense pride in our ability to provide you with a polished service of customer care. Customer retention is very important to us. We endeavour to go that extra mile, and this is why we offer a polished service thatâ€™s hard to beat.

The Sterling silver photo frames that we offer are crafted in the UK by distinguished Silversmiths like Carrs of Sheffield. Every one of the Sterling silver photo frames that we supply has been independently tested by a British assay office that confirms that the photo frame itself contains the finest purity of Sterling Silver.

If youâ€™re a fan of traditional and elegant styling then our Sterling silver photo frames have options to suit your taste. The Flat Plain Sterling silver photo frames that we offer are a prime example of the polished products we can bring to you. With a price of ninety seven pounds and ninety five pence, and the ability to shop online in a safe and secure environment, and not only these but, a wealth of options to choose from there really isnâ€™t any reasons to not choose to encase your precious memories in such exquisite products.

If youâ€™d like to find out more information about the range of Sterling silver photo frames, shop online, or indeed browse through the other products that we can offer you, then simply come and visit us online at: www.washingtonsilver.co.uk.
