Girls designer holiday collection by Crispin Ross

Article published on May 16th 2012 | Clothing

This holiday collection of the little girls saw spectacular colors. These days styles combine the elements of old as well as new to recreate the fashion for the young girls. Designer jackets with fur hoods and coats with fur collar and cuff are mostly liked and worn by young girls. Fur gives styling effect as well as provides warmth. Jackets and coats of bright and metallic colors are in this season. The trendy colors are considered to be blue, pink, red, yellow, green and not to forget a hint of gold and silver. A good fit and fabric plays a very important role in dressing up the girls. Floral dresses and other colorful prints are in trend for this season, they are fashionable and little girls are fond of wearing colors. Apart from floral print on the dresses a floral accessory like a small flower band or hairclip teamed up with the dress would add glamour to it.

Dresses with laces, frills, embroidery, fur and net are liked by girls. Designers like valentino, Christian dior have launched their collection for the holiday season with fabrics like silk velvet, silk satin too give it a more festive look. Laces along with sparkle will charm people this winter. A charming red silk dress teamed up with gold accessories offers outstanding style statement for the young ones. Metallics are in trend every season and will continue to sparkle the young girls for the future holiday seasons. This season will be of exiting silhouettes, unique colors and sensational prints. Many brands manufacture dresses for Christmas party for the young girls, they offer the best quality and materials to give the best choice for girls.

For dressing up a girl shoes are also important to choose as the dress. Little girls want to be trendy an look stylish, for that selecting a right pair of shoes for the young ones is very important. Little girls at a very young age desire to look beautiful and fashionable. Pretty shoes are the must haves for this young generation. Different variety of shoes is available in the market for girls such as slip ons, sandals and boots. Looks are a very important factor for girls at this young age. For girls there are a variety of colors and styles to choose from. The manufactures are meeting up the demand of the current trends and the spectacular color range.

Accessorizing the young girls is also very important. Hair clips or bands or any hair accessory is very much in trend for little girls. It can start from a small hair pin to an exaggerated hair band or the hair beads. The fall/winter holiday collection has seen kids trendy and chic.
