Memorable and Personalized Engraved Vases by [Chris Adam](#)

Article published on April 3rd 2012 | [Advertising](#)

Wish to present your loved one something memorable and personalized, which can express your feelings and emotions. Then engraved vases could be an ideal choice. Elegant and decorative these vases can easily be gifted by engraving the text or the corporate logo as per your choice. Your gift won't only be appreciated but would also make the receiver feel special due to your attention and care. The engravings can conveniently be done on glass as well as crystal vases to add to their value and beauty.

Available in different sizes, shapes and designs these vases make every event or occasion a special one. You can easily get the person's name, birth date, wedding date or even a special message engraved to convert an ordinary vase into unique one. These vases would surely bring back the old memories every time a new bouquet arrives. You can even purchase these vases based on the décor of your room or house. As these vases catch attention immediately hence it is important to place them perfectly so that they enhance the value of your décor. Flowers are a perfect gift but gifting flowers along with engraved vases would automatically give words to your feelings. Flowers might fade but these vases would cast an everlasting spell. If you want to show someone how much you care then these vases would be the perfect choice. You can get anything easily engraved on these vases and can give it your own personal touch. Completely memorable and outstanding these vases have their own significance and can serve as a birthday gift or even a wedding gift..

No matter what the occasion is engraved vases have always been a center of attraction. When filled with flowers these vases add to the beauty and essence of the surrounding. Light in weight and crafted with elegance these vases are truly remarkable and stunning.
