Tallahassee Hotels  Destinations for Respite by Ivan Dunn

Article published on March 29th 2012 | Travel

Youâ€™re planning a trip to the capitol city, and hotel choice looms large on your to-do list. Understanding that where you choose to reside during your visit can make a huge impact on your stay, you rightly spend a good deal of time researching. Let us make the must-have checklist for you. Below, weâ€™ve outlined the main questions you should ask before booking your Tallahassee hotel. Feel free to print it out and keep it next to the computer as you surf the Internet for a good deal on a superior hotel.

Questions that you should ask while you are searching for a Tallahassee hotel include:

- What is my price range? Decide this well before you look for other criteria. That way, you wonâ€™t be disappointed if you find a hotel that you like but cannot afford. Once youâ€™ve settled on a budget, youâ€ want to ensure that you understand any hidden costs before you book your stay. Call a few hotels that look promising and ask the front desk receptionist whether there is a parking fee, resort fee, or any other charge that you may see on your bill. That way, you wonâ€™t be surprised.

- What is the purpose of my visit? If you are traveling to Tallahassee for business and plan to stay a week or more, you are definitely going to want to consider an extended stay hotel. If you are driving up for the weekend in order to catch a Florida State Seminoles football game, you will want to look for a hotel near the campus (and youâ€™ll want to book as early as possible to avoid sharp rate hikes.) Perhaps you are going to be traveling with an infant and will need a refrigerator in your room to store formula and/or baby food.

- What is most important to me in a hotel? Many a trip sours when hotel guests realize that their mattress is uncomfortable. If you require a certain type of bed, make sure to ask whether it is available. Maybe you are more interested in finding a suite floor plan so that your children will stay in a separate space than you and your spouse, or a large-screen television with multiple channels may be on your â€˜must haveâ€™ list. No matter your required amenities, qualify them early and ensure that you will receive them. Youâ€™ll have a much more restful, memorable stay.
