Stylish, handmade wedding invitations from Paper Passion Design by James Blee

Article published on July 19th 2012 | Advertising

When it comes to weddings, thereâ€™s certainly a lot to arrange, but with wedding planning, itâ€™s not about the broad strokes â€“ itâ€™s about the fine details that really set the occasion off.

Even long before the wedding, decisions need to be made and carried out if the big occasion is to go off without a hitch, and wedding invitations are just one of these important decisions. Itâ€™s one thing to organise the flowers, but if thereâ€™s no congregation to see them...

If youâ€™re looking to send out your wedding invitations â€“ hold your horses! Wait just a minute, would you? Forget those plain and boring Wedding invitations , why not wow your guests with something a little different, something innovative thatâ€™ll have them saying yes in acceptance long before they realise what it is. Have you heard of Paper Passion Design?

Specialising in some of the best handmade wedding invitations and wedding stationary, Paper Passion Design are a company who pride themselves on their elegant, high quality wedding invitations.

Established ten years ago, Paper Passion Design have had fantastic experience in being able to deliver the most stunning wedding touches affordably and with the ability to really create a big impression.

Providing a sample pack of wedding invitations out for those looking to ensure the quality of the wedding invitations before they agree (and very wise of them too), Paper Passion Design have available a number of options. The Scroll wedding invitations sample pack includes an invitation with personalisation, complete with a postal tube and guest information sheet.

The Card wedding invitations pack includes the invitation with personalisation with a lined mailing envelope with printed address as well as the guest information sheet and gift list sheet.
