Australian Tour: Must Visit Places

by Jennifer Aniston

Article published on May 24th 2012 | Travel Tips

Australia is not only a country of amiable people but has a lot to offer when it comes to various tourists attractions. The country is beautiful and has so many delights right from adventure lovers to nature paramours and even shopaholics. Australian tour is full of colors of their culture. Here are few places included in Australian tour packages that are must to visit:

Great Barrier Reef

Situated off the Queensland coast, this is the worldâ€™s largest coral reel which stretches along twenty six thousand kilometers area and covers nine hundred islands. It is indeed a World Heritage Site and enables one to see dolphins, sea snakes, sharks, stingray, turtles, saltwater crocodiles etc. people can do diving here but those who are not very comfortable with water can always enjoy a boat trip on a glass bottomed boat. The best time to take Australian tour packages in order to see the Great Barrier Reef is from April to November.

Sydney Harbor

Australian tour is incomplete without visiting Sydney which was the first settlement of Europeans in Australia. The most magnificent places to visit here are the Sydney Harbor Bridge and the Opera House. New Year is considered the best time to visit this place when the sight around is breathtaking.

Tasmania

Australian tour enables you to enjoy Tasmania which is an island which is also known as Island of Inspiration owing to its great natural beauty. One can see organ pipes here on the Mount Wellington and the Mount Ossa, which is the tallest mountain here and a part of renowned Cradle Mountain Range. Beautiful flowing rivers and waterfalls are other attractions of this place. One should visit Tasmania between the months of November to March to enjoy it the best.

Melbourne

The cosmopolitan city that is a must in Australian tour packages is Melbourne. It is the largest city here and second most populated city and houses many important civic buildings as the Parliament House, Town Hall, State Library etc. one should see the street art of Melbourne, which started in the 1970s as graffiti. It is the shopping capital of Australia and Australian tour would be incomplete without a trip to this place.

Barossa

All Australian tour packages would take you to Barossa which is popular as the major wine producing area in Australia. This region has a beautiful history, famous antique shops and art gallaries other than the famous wine yards.
