Nellore Schools are Delivering Passion Since Ages by Manishpaull

Article published on July 18th 2012 | Education

Nellore is a city in the Indian state of Andhra Pradesh and has been an important educational centre since ages. The city possesses an average literacy rate of 76% which is higher compared to the national average. Many of the schools of the city have been established decades ago and are still running with the same commitment and passion towards education. The schools that have come up in the recent time are well equipped with all kind of modern techniques of teaching and excellent infrastructure.

Schools in Nellore are a perfect combination of experience and experiments. Experiments help in learning and experience help in applying that learning. There are over 500 hundred schools in the city that are very well known for their difficult and worth educational standards. The best schools in Nellore are:

â€¢ Space Central School

â€¢ Padmavathi Vidyalaya

â€¢ Little Angels Public School

â€¢ PNM High School

â€¢ St John English Medium High School

â€¢ MSM High School

â€¢ Sadhna Public School

â€¢ ZPP High School

â€¢ Government Model High School

Earning trust of people regarding education is not an easy job but Space Central School has got success in earning that trust by dedicating all its time to education and creating extraordinary students over the time. The school has an affiliation from the CBSE board and it is a fully fledged senior secondary school. The aim or mission of the school is not to let the creativity and thinking of a student die because of the extreme pressure of academics. And the vision of the school is to develop a strong and confident mind that is not only analytical but also is confident and independent by nature.

SCS believes in imparting knowledge/values and developing to nature systems talent, enthusiasm and creativity of its students for seeking excellence and innovation through high quality educational endeavors. A universal outlook is provided to the students in the school ensuring the maintenance of traditional values. With the help of healthy student teacher ratio, students are more interactive with the teachers.

The key factor other than the academics that contributes to the success of the school is its world class infrastructure. The school comprises of many classrooms, 4 computer labs, 2 libraries, 2 physics lab, 2 chemistry lab, 2 biology lab, 2 audio visual rooms, 2 SUPW room, 2 basket ball courts, playground, 2 LCD projectors, neat and clean toilets and 2 assembly stages. Everything is

the school is designed keeping in view the interest of the students.

Schools in Nellore are climbing the stairs of success patiently and to improve the educational standard as much as possible is their main concern. Little Angel Public School and Padmavathi Vidyalaya established at Saradha Nagar Chillakur Gudur-mandalam Distt and Sullurpeta Distt respectively are the two other best schools in the city. Being education the prime concern of the government and the schools of Nellore, the city provides a perfect ambience for the purpose of studies. A student can relax and explore his inner side with ease in the schools of Nellore.
