Are You Afraid of the Dark by Areyouafraidofthedark

Article published on May 4th 2012 | Entertainment

Have you heard about the famous horror show â€œare you afraid of the darkâ€•? It is an anthology television series. This show is a blend of horror, suspense, mystery and fiction. It is a story about the teenagers who called themselves as-the midnight society. The story of the series is different for every week. In the show, each member of the series tells the story to the other members. There is a secret place in the woods, where all the teenagers performing the series gather and one member start telling a new story to the other members.

The member who acts as a storyteller start the story by saying the words â€œSubmitted for the approval of the Midnight Society, I call this story". After saying this, all of the members of â€œare you afraid of the darkâ€• throw a handful of â€œmidnight dustâ€•. Actually, it is the regular sugar that the members refe to as the â€œmidnight dustâ€•. They toss the midnight dust from a leather pouch into the campfire. This is done in order to heighten the flames and generate the white smoke. The member who tells the story continue the story by saying the title â€œThe Tale of the Twisted Clawâ€•.

Usually, this storyâ€™s theme is based on the different types of paranormal phenomena. For example, the Dragons, Magical curses, Witches, Goblins, Vampires, Ghosts, Magic, Haunted Houses, Aliens, or, Witches. Generally, the episodes of the series are filmed or recorded in the woods, in public places such as libraries or school, or in abandoned apartments and houses.

The story tales of â€œAyaotdâ€• are based on the different sources. For instance, many were adaptations of short stories of Urban Legends and public domain fairy tales. Moreover, the stories are based on the events that happened in the life of the storyteller.

There are many websites all over the internet where you can watch this fantastic and mind blowing show â€œare you afraid of the darkâ€•. Moreover, there are some websites that provide the DVDs of this show. Therefore, you can avail the different set of DVDs for the each and every series of this show. For example, you can get a set of 7 DVDs that show all the seven seasons of this. You can play these DVDs on any Audio/Video players like DVD player, DVD-ROM, PS2, PS3, X-Box and even on your personal computers.
