Tapped your feet to the fullest at the college party! So, you really love dancing? Yes! I dance because it makes me happy. One of the hottest guys came after the party to talk with you; it was your sexy dance moves which attracted him to you. Guys usually start the conversation with general questions and then move to the "phone-number" conversation. So, you don't really look like an Odissi dancer? Oops! So, he knows that you are an Odissi dancer! It was the dance application form which you filled up in the solo dance competition from where he found your love for dancing.

And you became very good friends! That's just one advantage of dance which can help you to make new friend and make you the center of attraction in the party? Who is the actual party pooper? It's definitely not the one who is educated, qualified or well dresses but the one who entertains the audience with the jokes or some other entertainment activity. It's very difficult to find the right definition of dance but it has the power to make you happy and take all your stress. Dance is the best way to express your feelings and emotions, you would be happy to know that Indian classical dance is one of the most popular forms of dance which expresses all the emotions in the best way.

Odissi is one of the oldest forms of dance; it's the grace of the Odissi dance which has also attracted foreigners to learn it. Every Odissi dancer has a different style; you would not find any similar poses among any of the Odissi dancers. Orissa is the place from where this great form of Indian dance originated, it now have extended to different directions of whole world. When it comes to dance and music, it's Kolkata which first comes to mind as some of the biggest musicians belong to this city. Odissi dance in Kolkata is also very popular; most of the dancers usually opt for the Gotipua style of Odissi as it involves expression and beautiful poses. Another form of Odissi dance is Mahari, it's only the experienced dancers with the practical knowledge of dancing who can do it in the right way.

Dancing is a form of exercise; it would only benefit you when you would practice it regularly with your heart. Get trained from a good dancer in Kolkata; make sure to choose an experienced and reputed dancer who would help you to master all the moves perfectly. In the older era, Odissi dance were usually practiced in the temples which slowly became popular and now it's the popular celebrities who are also practicing it. While choosing the dance institution for you, it's very important to go for an institution where every musical instrument is present. Dancing is not only about expression and moves; you have to study the entire course of dancing to master the beautiful art of dancing. Learn dance to enjoy it! Happy Dancing!
