Most people panic when it comes to packing and moving, and it can actually be very hard with untrained hands. But we are there for you. RS Packers and Movers has been the pioneer in the field of relocation for a long time. We provide our world class service and care to each and every one of our customers. It has been a great honor to work for several top companies in India for quite long time, and we have always maintained a very friendly relationship with our customer because of our professional service along with our tender approach. Our company takes care of everything: from the planning phase, through the packing and transporting phase and finally to the unpacking and rearranging phase. We also offer warehousing of goods in case our customer wants temporary safekeeping of their goods before it reaches its destination.

No matter what type of goods you want to transport, our company is more than capable for the job. We treat our customer with same care and importance whether itâ€™s an industrial transport or mere household relocation. RS Packers Movers is a registered company with a great reputation as itâ€™s a leading company in the field of relocation. We have a cutting edge over than other competitors in this field by our well planning, professional staffs and perfect tools and transporters required for the job.

We offer the full or the part of the relocation as per our clientâ€™s requirements, be it door to door, door to port or port to door transport. We are available most in major cities of India and we do international relocations as well. RS Packers Movers understands their clientsâ€™ needs and gives tailor made service to each of their clients according to the jobâ€™s requirement. We have big transporters and required instruments to make the relocation fast and damage free.

Being in the industry for a long time, we are experienced in handling any kind of situation with our professional approach, and we have no hidden costs so whatever deal is made, we are certain to complete our end of bargain. RS Movers Packers provide insurance to our customersâ€™ goods so if any unpleasant event happens; our customer gets refund for their damaged goods. We are very careful about relocation and take extreme caution when it comes to fragile goods or any object with emotional values. We use world class packing material and expert packers to do the job well.
