Article published on January 19th 2012 | Jewelry

There is no specific definition of Pandora Jewelry. When we talk about it, we mainly refer to two meanings, one is Pandora-style jewelry, and the other is Pandora brand jewelry. Pandora, Greek spells. She is the first woman in the world, and made by Zeus or god of fir, Hephaestus, to punish Prometheus for stealing fire to man. The Gods also endow her with a more attractive charm. The myth about Pandora has a long history, and appears various editions, from different angles to interpret that. In all editions, Pandora was used by natural theology to explain the existence of evils in the world. To sum up, Pandora is a charming and mysterious woman.

Generally speaking, Pandora jewelry mainly referred to the jewelry that made of macroporous beads and thick chain. It looks like have the individuality purely, primitive feeling and national styles. They are exquisite handcrafted. It's a very good light effects from different angles, thickness and the color of light refraction, which can show three-dimensional visual effects; It gives us a kind of quiet and peaceful feeling. To enjoy the "breathing" of glass beads this revealed the Natural beauty. It also shows a clear glass, the visible textures, different colors of glass works through a combination of color flow, described a variety of creative language.

To the vogue of Pandora Jewelry over the past twenty years, it has to mention another closely related name: Pandora brand jewelry. Now many people confuse Pandora Jewelry with Pandora brand jewelry, in fact, there are two concepts which are connected with each other but also have obvious distinctions. In brief, the style of Pandora Jewelry was existed before the appearance of the Pandora brand jewelry. Pandora brand jewelry that focused on Pandora style also made Pandora Jewelry even more popular.

In fact, the Pandora brand jewelry was founded in 1982 by a couple. Originally it's a jewelry company in Denmark; the company produces only bracelets, rings, earrings and necklaces in the early days. With the development of era, the requirements for jewelry become more and more, people also ask for the increasing of jewelry breed. Its products are also growing, and it creates new products every year to meet the customer's need. Back in the early days, like the word of Pandora, it shows its unique charm.

The seductive charm of Pandora Jewelry is much more than the introduction above; you will love it when you see it, because it just likes the Pandora's Box which actually has the fatal attraction to the woman.
