Puravankara Projects Ltd. is presenting their one of the amazing residential projects named Purva Windermere. The project is located at Medavakkam Main Road in Chennai providing 2/3/4 BHK apartments. The starting price of the apartments is Rs 44, 11,407 onwards. This project is approved by Chennai Metropolitan Development Authority (CMDA) and will be ready for possession around 2014.

The development is located in the city centre at Pallikaranai. This is surrounded by two pristine natural lakes that not only enhance the picturesque beauty of this great construction but also disperse positive waves that revive your soul. One lake is spread over 2 km on the northern side and the other one is spread over a kilometer and half on the eastern side.

Chennai is becoming one of the fastest growing cities in India. Thousands of individuals migrate to the city in search for better options of living and survival. They work hard and get recognition that they have always wished for. But at the end, they need something that is pristine and help them relax. Purva Windermere gives this option to them as it supports all the luxury and comfort features that an individual requires to support a happy and contented life with his family.

This residential complex has luxurious amenities that make this project a hot property. Clubbed with the features like landscaped gardens, swimming pool, separate play area, integrated health facilities, 24 hour power back, tennis court and community hall, to name few, Purva Windermere is a perfect residential destination in the natureâ€™s lap.

Situated in the lake district of Chennai, the development is just 0.5 km away from the Pallikaranai Tambaram Highway and around 1 km from the kilkattalai Tambaram highway. The splendid structure is schemed to be perfect sleep tucked in his blanket.

This township is another feather in the hat of Puravankara Projects Ltd that is determined to provide best offerings to its clients. Established in 1975, to cater to the increasing needs of accommodation and commercial spaces in the metropolitan cities of India, the Group has designed some of the majestic architectural masterpieces while serving the needs of the long clientele. With an old heritage of 35 years, the company has again laced its shoes to provide a flawlessly balanced standard of living with its elite enclave construction.

In the end we can say that this creation is planned to be set by fulfilling all expectations and ambitions of the residents and willing to take the luxury offering in India to a new level. The development is well connected with the major landmarks of city and offers a lifestyle that most of the people in the metropolitan cities dreamed of. This residential complex is designed to bring a balance in your life which is the most important in the life today. Purva Windermere offers tranquil and landscaped environment to refresh your soul and mind. For more details, go to:
