Ribbons definitely add elegance and to any gift pack.. Whether it is a baby shower, wedding, floral decoration or trendy apparel or any celebration or a party ribbons enhance the look of any product. Perfect for all crafting needs Grosgrain Ribbon have a gentle matt finish and subtle corded texture that catches the light. Available in multiple colors and widths these ribbons are also abrasion and heat resistant.

Typically made using silk, nylon or synthetic products these ribbons can appear both glossy and dull. These ribbons are used for making ties on dresses, bows on hats, embellished towels, quilt, sheets, linen, hair bows and also for displaying military medals. Due to its sturdy and stiff structure, it can easily be shaped for various crafting projects.

Special care should be taken while using these ribbons as they should be hemmed and sealed properly to prevent them from fraying. Pins must also be carefully used with these ribbons because once inserted into the ribbon the pin holes would be apparent and could not be removed. These ribbons are perfect for crafters, accessory makers and fashion designers as these can be used in a number of interesting ways for decoration.

These stiff ribbons should be washed before using it on any item so that they retain their color for a longer period of time. Since these ribbons are made using polyester, hence they can be manipulated easily by heating them. Available in various widths and array of colors and prints these ribbons are even available online or can even be purchased from craft stores. Whatever your crafting needs are these ribbons would surely fulfill your desires. Complement any occasion with your artisanship and gift your loved ones those ribbons presents anytime you wish.
