Dish Network Packages and Premium Movie Channels

by David Brown

Article published on November 29th 2011 | Television

The primary satellite packages provide a multitude of extremely popular choices. The viewers can enjoy exquisite premium TV channels which show programs from every genre. The programs cover a wide range of topics and interests. The customer can either add the premium programming packages to the primary DISH TV packages in the beginning or he can add them later to have an out of the world experience.

Packages

Dish America HD â€“ Many channels are offered in HD format which ensure crystal clear picture quality and dolby digital sound that enrich the television viewing experience. It is the final destination for those who seek wholesome entertainment.

Through Dish Network it is very easy and fast to upgrade to HDTV .It is required to have a high definition TV, a HD receiver and a package of programs in HDTV format. It provides the most extensive range of HDTV channels which ensures that there is no discontent.

Movies

The movie channels offered are sure to mesmerize the movie lovers with the plethora of DISH Network channels being offered in the mind blowing packages that comprise HBO, Cinemax, Showtime and Starz that offer 32 channels in total. Apart from top class movies, these packages offer power packed boxing events, special events from the world of theater and rib tickling comedy and live concerts that are sure to enthrall the viewers and increase their thirst.

Local Programs

DISH Network also shows national programs that come under local packages. The subcribers can remain well informed about the latest events in their immediate locality. Some channels that offer programs in this arena are ABC, CBS, NBC and Fox. The viewers can be kept up to date with the local events like weather, local news, current affairs and important regional events.

Sports

DISH Network does not disappoint the sports enthusiasts also. It offers a wide range of high octane sports action that range from sport events in the local area to the top pro events. On addition of the Multi-Sport Package to the customerâ€™s Americaâ€™s Top 120 or a more costly package the customer can have access to the best of sports. Otherwise the customer can also sign up for a seasonâ€™s subscription of his favorite sports.

International Packages

The International packages provide programs in 28 international languages to cater to that section of viewers which is not English speaking. There are 170 channels which cover languages such as Arabic, French, German, Italian, Greek, Polish, Russian, Chinese, Korean, Urdu and a wide range of languages from south east Asia and India. DISH Network also offers diverse programs in Spanish language which are very popular.

More foreign language programs are offered under International a la carte which comprise

specialised international packages. These packages offer programs in minor languages such as Dutch, Armenian, Hebrew and Punjabi.

In order to satisfy the desires of the adults there are programs which are specifically designed to serve them. These programs arouse passion and capture their wildest dreams.

There are 9 channels and the package is quite reasonable. The viewers get to see the latest movies and hot programs in their homes. Moreover, DISH Network provides an Adult Guard software security system which can be used by parents to ensure that the children donâ€™t see these programs.
