RNS Motors Yeshwanthpur is one of the largest Maruti Suzuki dealer network in Karnataka. They offer a wide range of services which include Sales, Service, Spares, Accessories, Pre-owned Cars, Insurance, Body Repair, Quick Repair (60 minutes), Extended warranty, On Road Service & Maruti Driving School, catering Bangalore, Hubli, Murudeshwar, Bijapur with total of 6 outlets.

RNS Motors are responsible and trust-worthy and offer insurance facility for every car it sells, infact this is a mandatory and done on a compulsory basis. The customer chooses the plan of the insurance based on the car chosen. It is essential for the buyer to give complete information egarding their car and registration number for the insurance process to be completed. These cessary procedures are completed under the guidance of trained experts present in their showrooms so the customer has no troubles later on. The company also offers loan facility to help you purchase your favorite car with ease. Also the monthly loan repayment for the same is decided on basis of the EMI calculator that they have designed for their prospective buyers. The EMI is determined on various factors like how much down payment would the customer be able to pay and as well the current interest rates.

In Bangalore used cars are best bought from RNS Motors. The second hand cars here have undergone a vigorous 120 methods of quality testing and only after passing in each of those tests are the cars handed over the showroom for sale. Whatâ€™s great is that they offer loans for second hand cars also. Before making the purchase the prospective buyer can also check the mileage and other small and big details related to the car he is buying. One can also opt for the test drive facility available with the guidance of their in house experts. A set of trained and well informed advisors help you choose the right schemes for the car of your choice.

At RNS Motors you can find the best accessories for cars. You can accessories from a wide range of different national and international brands. The range of accessories includes MAG wheel, perfume, speakers, wheel caps and many others. One can enhance the interiors of their cars as they provide good fabrics for seat covers, spoilers, a good set of wheels and many others. One can avail excellent quality audio systems from reputed national and international brands. Also most of the accessories found here match the expectations of the customer both in price and quality.

So when are you buying your set of four wheels?
