Car Lease in Muscat by Avis Oman

Article published on February 21st 2012 | Travel

The government of Oman has taken special measures to improve the investment sector for local as well as foreign investors in the past few years. These measures have opened new doors of opportunities for businesses in the Sultanate, making the capital city of Muscat shine in the spotlight. Muscat boasts of corporate giants like Subaru, Toshiba, Seiko, and general Motors in addition to the export sector of petroleum, fisheries, and dates. Hence it is no surprise that hundreds of business travelers visit or move in to the capital for a set period of time every month, making car lease in Muscat a thriving industry.

Almost all corporate companies swear by leasing a car as opposed to purchasing for its cost benefit and hassle free maintenance. Corporate tie-ups with car leasing companies are a norm and have a few advantages. Listed below are the three main benefits of car lease.

â€¢ The company can hire the car for a set number of years. This reduces the dent in cash flow for the company as well as for the employee since the payments are smaller in amount as monthly rental. This rent is based on the type and cost of the car leased and includes some other maintenance costs.

â€¢ Most leasing companies have tie-ups with good garage and maintenance services and these benefits are passed on to the customer. Some car lease companies also provide break down assistance that can be taken advantage of in a foreign land.

Regardless of the size of the company, every employer is concerned about business transportation for his employees, and sets a particular budget aside for this purpose. For corporate companies and even smaller privately owned set-ups, car lease is extremely handy. Buying five cars and maintaining them can be difficult, while in a car lease scenario the company can maintain a perfect balance sheet and keep the employee happy at the same time.

Comfortable car lease in Muscat is the easiest way of hassle free travel. Companies have fleets of well-maintained cars of different sizes and brands to choose from. And even though the monthly cost of a good branded car may be a little more than others, you can travel in style without pooling in the whole amount for purchase. This not only takes care of your budget in a new city, but also helps you plan your finances accordingly as your know the exact amount spent monthly on the car.
