Article published on February 3rd 2012 | Travel Tips

Immigration to Canada has increased because Canada is a land of opportunity and abounds with economic prosperity, sound and affordable education options, world renowned healthcare and retirementâ€™s scheme. Canada has fresh water, clean air all providing for a safe and secure environment. Many people are immigrating to Canada as permanent residents to take part in building of the world most successful economic alliances.

Canada offers excellent settlement to migrants with a stable environment. Canada economic growth is making foreigners to migrate as they get to meet with people from other countries and learn their cultures. You can immigrate to work, study or visit. To immigrate to work in Canada, you must first have a job offer from a Canadian employer. The job offer should be approved by human resources Canada.

In order for an individual to be eligible to apply for permanent residence in Canada in the skilled worker class you must have an offer of employment from a Canadian employer or be an international student enrolled in a PhD program at a provincially or territorially recognized private or public post secondary educational institution in Canada who has completed 2 years of study toward PhD, be an international student who graduated from a PhD program at a provincially recognized or public secondary in Canada who graduated no more than 12 months before the date the application is received and did not receive an award which required him/her to return to the country or be a skilled worker who has at least 1 year of paid full-time experience or 2 years of continuous paid half-time experience in 1 year or more of the eligible occupations within the past 10 years.

To qualify you will be assessed according to the following selection factors. Most applicants need a minimum of 67 points in order to be eligible for a skilled worker Canada which is:

Education 25 points

Proficiency in English or French 24 points

Experience 21 points

Age 10 points

Arranged employment in Canada 10 points

Adaptability 10 points

If you have the arranged offer of employment you have better chance of qualifying for the skilled worker Canada and it depends on your current employment status whether you are already working in Canada and if you not already working in Canada and you do not have a valid work permit or you have a work permit, but you fail to meet the criteria in the section above then you need a job that your proposed employer commits to hire and employ you for an undetermined timeframe and you comply with the job regulatory. .
