Article published on April 2nd 2012 | Auto

When it comes to perfect blend of practicality and styling, not many of the cars comes closer to coupe cars. This is the reason why they have been such a huge success in the modern market and every auto maker in the market has at least one coupe model in their line up. You can get all sorts of coupe models in the market, be it sporty, comfy, luxurious or cheap. Depending upon the permission from the pocket different people opt for different coupe models. But in the current struggling economic times the focus of auto buyers has shifted to cheap cars, and thatâ€™s the reason why the auto makers in current times are offering a wide range of cheap coupe cars for the customers.

If you also are looking for a cheap coupe model, then here Iâ€™ve listed some of the cheap cars that you can get for you. All these models listed here not only are immensely cheap, but at the same time are really impressive in every department. So have a look at the list and find the best suited model for you.

2012 Chevrolet Camaro Coupe

The first model in my list of cheap cars from the coupe world is the 2012 Chevrolet Camaro Coupe having starting price of $23,280. The Camaro flaunts incredible styling and comes loaded with tons of power under its hood. If these are the things that you are looking for, then this is just the perfect choice for you. The equipment list for Camaro coupe includes cruise control, 18-in steel wheels, 4-way manual front seats having power recline, automatic headlights, keyless entry, Bluetooth, air-conditioning, a 6-speaker audio system having an auxiliary audio jack, CD player and satellite radio and a tilt-and-telescoping steering wheel and OnStar. The 2LS is essentially just the 1LS with an automatic (versus manual) transmission.

2012 Dodge Challenger Coupe

The 2012 Dodge Challenger Coupe is a grand touring coupe looking like a muscle car, so if you are looking for coupe cars then donâ€™t go by the looks of it. The Dodge Challenger is an incredibly potent coupe model. The standard equipment for Challenger Coupe includes complete power accessories, 18-in alloy wheels, automatic climate control, keyless ignition/entry, a leather-covered tilt-and-telescoping steering wheel (having audio controls), a 6-way power driver seat having power lumbar modification, cruise control, a trip computer, back A/C outlets, a 6-speaker audio system having a supporting audio jack and CD player and a 60/40-split-folding rear seat.

2012 Ford Mustang Coupe

The 2012 Ford Mustang Coupe is the prominent name in the auto world and thatâ€™s for all the good reasons. The Mustang undoubtedly is one of the finest coupe cars you can get from the market. The list of standard equipments for 2012 Ford Mustang Coupe includes the likes of a limited-slip back differential, 17-in alloy wheels, included blind-spot mirrors, keyless entry, air-conditioning, cruise control, complete power accessories, a 4-speaker audio system having an auxiliary audio jack and CD player and a tilt-only steering wheel.

So if you are looking for some cheap cars from the coupe segment of the international auto market these are some of the models that you can consider.
