The Classic Audi Q7 by Hiteshbhoi

Article published on December 6th 2011 | Auto

The Audi Q7 has an overall sleek and exquisite look to it. When it was first introduced people quickly took a liking to it. It is not surprising since this vehicle has many luxury options. This will be quite helpful if you have a big family. The vehicle does not only give you luxury and comfort but great style all at the same time.

The Q7 has a sporty look to it, which makes it quite appealing to many people. The Audi Q7 SUV has a grill that looks great with the painted horizontal strip. Since the grill is narrow it looks less overpowering. The Q7 has a lot of the same features as the Audi Avants. Some of the same features are the high shoulder line, the sloping roofline and many more. All of the features are what make the Audi Q7 classy and sporty all at the same time. The rear bumper gives better function to the turn signals as well as the rear fog lights.

The Q7 even has a third row seating as an extra option, which can come in handy if you have a big family. The center row can fold back down and slide forward. This can give you better and more space in seating. The third row can fold flat completely on the floor when you are not using it. Not only does this option give you more seating in the vehicle it can also allow for more space to store items on those long road trips.

Go and check out the Audi Q7 and experience the class and exquisiteness that it can offer. It just might be what you and your family are looking for. It gives you a sporty look, but can still be functional for the whole family, which makes everyone happy.
