As the days get longer and warmer, the thought of owning a BMW convertible begins to take shape. And who can blame you? From the BMW 1 series through the Z4, these models are breathtaking with or without their tops. But which BMW convertible is right for you? Let's take a look at some of the more popular models.

BMW 1 Series

Striking and elegant, this BMW convertible features a retractable soft top that takes just 22 seconds to retract. This two-door model features a small backseat, ideal for singles and families with young kids alike. If you want luxury, sportiness, and a small backseat, a BMW 1 series convertible is a great choice.

BMW 3 series

With an elongated body and a retractable hardtop, this BMW convertible is an excellent choice all year long. Enjoy warm, sunny days with the top down. When rain clouds appear on the horizon, a quick push of the button ensures that you'll stay dry. When the weather is cold, enjoy your new BMW 3 series with the hardtop firmly in place. Featuring a roomy backseat, this BMW convertible is fun for four!

BMW 6 series

Sophisticated and exclusive, this is a BMW convertible Oakville drivers want to own. The 6 series convertible comes with a soft roof and individual paint finishes. It is also available with the sporty "M sport" package.

BMW M3

Race car technology and fun converge with the BMW M3 convertible. If you're looking for a BMW convertible for the thrill of the driving experience, make sure to test drive an M3 convertible. The retractable hardtop takes just 22 seconds to tuck into position with a push of the button. Available in several luscious colours, this car is sure to turn heads as you drive by.

The Z4 Roadster BMW Convertible

The classic two-seater gets the royal BMW treatment with the Z4 Roadster. This BMW convertible comes with a retractable hardtop. Want to make your own statement? Choose a BMW "Individual" hardtop which comes in a contrasting colour. Whether you drive with the top up or down, you'll be in for a treat when you choose the Z4.
