Flights to Auckland â€“ a Memorable Visit

By Adam Johansson

Article published on December 29th 2011 | Aviation

Auckland is the most vibrant and multicultural city of New Zealand. The city has a rich history and culture. It is surrounded by beautiful beaches, islands, volcanic hills and twin harbors. The city is reputed to have more boats and yachts than any other place in the world. It has been termed as â€˜The City of Sailsâ€™.

Flights to Auckland are offered at reasonable rates by different travel companies. These deals usually cover hotel bookings, excellent holiday packages, sightseeing tours, etc. Cars are also provided on rent by various companies.

This city is very beautiful and diverse. Museums, nature reserves, bays, harbors, skyscrapers, malls, parks, tourist attractions, etc. abound in the city. The city also has attractive beaches and water sports are a way of life.

The people are music lovers and the Auckland festival sees performances from local and international artists. Theatre, visual arts, music, dance etc. are performed in the festival. The Auckland Art Gallery is very famous and a collection of more than 14,000 artworks is present here.

Flights to Auckland are offered manifold as the city lures travelers with countless attractions. Visit Crystal Mountain and explore the fantastic collection of fossils, crystals and minerals from all over the globe. There is also a miniature farm where llamas, ponies, calves, ducks, geese, lambs and other animals are present. Kids are provided rides on the friendly ponies. The place also offers Gonzales Roller coaster rides and awesome food to tourists. Souvenirs, necklaces, pendants, bracelets are offered here at fine prices.

Visit Kelly Tarltonâ€™s Antarctic Encounter and Underwater World and have the time of your lives. This beautiful place offers amazing adventures. Visitors can see penguins swimming and enjoying their lives in their natural habitat. Various marine species like sharks, fishes, sea horses, puffer fish and moray eels are also present in the aquarium to entertain visitors. The place also features a replica of the hut used by South Pole explorer Captain Robert Falcon Scott.

Tourists should definitely visit the Bay of Islands which consists of 144 islands. These islands are known for their fascinating scenery and rich marine life. Relics of Maori and European past enhance the importance of this place.

The people here are highly adventurous and outdoor activities are a part of life. Tourists should definitely try out various activities like bungee jumping, eco tours, fishing, rafting, golfing, horse riding etc.

The enchanting beauty of this place has also led to an increase in the flights to Auckland. So, just grab your flight and enjoy the adventure.
