Article published on April 26th 2012 | Business

American Express is a leading international operator and issuer of financial cards and one of the worldâ€™s largest travel agencies. The company has long been a favourite of the affluent in developed and emerging markets alike due to lucrative reward programmes giving the company the highest spending per customer in the industry. American Express is known for its charge cards and commercial services, but in 2011 it invested heavily in online and pre-paid payment products and technology.

American Express Co in Consumer Finance (World) Company Profile offers detailed strategic analysis of the companyâ€™s business, examining its performance in the Consumer Finance industry. The report examines company shares by region and sector, product developments, market and distribution strategies, challenges from the competition and future prospects. Use it to understand opportunities and threats facing the business and the factors driving success. http://www.bharatbook.com/market-research-reports/finance-market-research-report/american-express-co-in-consumer-finance-world.html
