Article published on March 15th 2012 | Business

Marbella is synonymous to beauty of nature added with the fun filled weekends. The city is one of the awesome Andalusia cities with a lovely beach, and a sea that could both sooth your eyes as well as can pump in more adrenaline in your veins.

If you are planning for a weekend in marbella then you must know that this city is also one of the cheapest in the entire Spanish country, and can be afforded by anyone who wants to have a visit. In addition, the easy access to another city of Spain, Madrid as well as the stone throw distance of the Morocco makes it more attractive to the travelers.

Now when the matter comes to decide a destination for the alternative stag weekends this city comes up as an automatic choice.

There is so much to do in this city. The white sands and the bluish-green seas and the sea life under the water makes it an attractive one for the water sports lovers, like the scuba diving, snorkeling and even surf boarding. When it comes to stag weekend Marbella, booze is one of the must haves. The beer is rather costly here, but the sizes are also bigger than that you can have in UK. So drink as much as you can, but remember one thing, do not drink and drive.

Before you go on alter you would like to do a bit of shopping, and this is one of the main reasons for Marbella to be an attractive destination for the alternative stag weekends. The markets here are full of items that you could have ever imagined of and that too at a very cheap price. Moreover, if you do not wish to have an adventurous weekend Marbella, then there are also various other places to visit like the Zoo and likewise.
