Article published on July 23rd 2012 | Business

Are you looking for a retailer with the creative vision and experience to design and craft a post box, or letter box that adds to the sophistication of your property? Have you scoured the internet for a retailer of the finest designs, only to be left disappointed? If this sounds frustratingly familiar then you need only consider one retailer and that is Post Box Makers.

Here at Post Box Makers we do exactly what our name suggests. We design and craft post boxes to suit the bespoke requirements of our clients. Each of the designs that we offer are completely individual, and unlike any other post box that youâ€™re likely to see anywhere. Every single one of these designs is handmade and features a solid steel construction. This ensures that every one of our products that we sell is both durable and sturdy, as well as being very easy on the eye.

Our skilled fabricators construct these post box products in just a single day. This ensures that no matter if you have a rush order for a significant amount of designs that here at Post Box Makers we can complete your order in a swift time frame.

These bespoke post boxes can be manufactured to your exact dimensions. Whether you consistently receive a significant amount of post on a daily basis and require a design with a deeper crevice, or indeed of you have ideas on purchasing a design that will hang inconspicuously outside your property, or indeed a design that has been specifically designed to hold A4 letters, then here at Post Box Makers our fabricators can meet your demands.

Should you like to find out any more information about the selection of options that we can offer you, or indeed to contact us and discuss prices, or indeed any aspect of the service that we provide, then you need only come and visit us online at: www.postboxmakers.co.uk.
