Article published on February 3rd 2012 | Business

France is famous for its excellent tourist destinations and people from all across the world strongly desire to visit this amazing country. Lorgues is one of the most attractive cities of France which is located in the heart of Provence. You will find various excursions and tourist attractions in the city of Lorgues. There are a number of historical buildings, cinema halls, restaurants, bars and cafÃ©s in this amazing city. The sports lovers can enjoy the tennis, horse riding cycling, hiking, canoeing, river rafting and many other fun filled activities. During your vacation in Southern Provence, if you want to stay in Lorgues then you will need an appropriate place for lodging. This problem of yours can be solved in the most perfect manner by Maison du Midi. It is an amazingly beautiful guesthouse that was built in stone in the 17th century. The building of this B&B Provence is among the famous historical buildings of the city of Lorgues.

The Guesthouse Provence is owned by a Danish family which aims at providing the most desirable services for all the guests staying in this guesthouse. The building has been completely renovated in order to give it a modern touch but it still retains its classic charm in a beautiful way. The building has many terraces providing the beautiful view of the city. The private garden offering the beautiful chestnut trees and palms is yet another attraction for the guests.

If you want to have any kind of information about the prices and services offered by Guesthouse Provence then you should log on to www.maisondumidi.eu. This website has been designed in a brilliant manner so that you may be able to get the desired information very conveniently. The best thing about this website is that it is updated regularly so that you may have the latest news regarding the discount packages and the cultural events that are held in Lorgues. The website also contains the details about the famous restaurants of Lorgues.

You will get the delicious breakfast during your stay at Bed and Breakfast Provence. The freshly baked bread, the home made yoghurt, fresh fruits, juices, tea, coffee, cheese, jam, butter and hot chocolate are among the things that are irresistible. The Hotel Provence has a nice homely feel to it. The comfort level that you will find at this place is simply matchless. The prices of all the services are very reasonable and you will not find it an issue to afford them

The standard rooms, apartments and studios are available for your convenience and you can choose the best suitable option for you. The standard rooms available at Guesthouse Provence are especially designed for couples. The small families can avail the facilities of studios and apartments. The Guesthouse Provence ensures to provide each and every modern facility for the guests. If you want to have the most unforgettable moments of your Feriehus I Province then you should try to avail the services of Chambres d hotes. In order to have a better understanding of the quality of services provided by Guesthouse Provence, you should read the testimonials available at the official website of Maison du Midi.
