HK Quality Migrant Program Get Guidance to Migrate Quickly by Abhinav

Article published on March 9th 2012 | Business

Hong Kong is one of the most densely populated areas in the world and requires more talent to maintain its progress. Therefore immigration department of Hong Kong has quality migrant program to attract talented and highly skilled people. The eligibility requirements for this migration program are very specific and the form is scrutinized strictly, it is difficult for people to get through the process easily. This program attracts people from China, India as well as from other Asian countries. Therefore it is encouraged to select Hong Kong quality migrant program consultant in India.

Hong Kong quality migrant program judges the applicants on the basis of

1. Prerequisites,

2. Age,

3. Qualification (academic and professional),

4. Work experience,

5. Language ability and adaptability

The applications are approved on the point basis, which is of two types

1. General point based system,

2. Achievement based point system.

First one is for any one or everyone, except the restricted countries. Second one is for those who have achieved great heights in their carrier like winning national or international awards or having significant contribution to their fields. Applicants are required to fulfill both the requirements, basic and minimum score both. An applicant needs 80 points out of 165 along with prerequisites. All this generates a need of guiding person, who have experience in this department and have full latest info about the rules and regulations of Hong Kong quality migrant program.

There are multiple number of consultancies in India who deals in immigration before selecting a consultant you must check whether the person guiding you has any experience or not. Go for the consultant with experience only as it will reduce the wastage of your precious time and increase the chances of visa approval. One should always go for authenticated consultancy as it minimizes the risk of giving your future into wrong hands.

A good consultant smooths out the difficulties in the immigration and visa process faced by clients. Consultancy will surely charge fee but it will save your time and money by giving you the right guidance. Some consultancies provide free visa assessment form as well and after that respond accordingly. Their response and service is another way to check the quality of services provided by them.

A good Hong Kong Immigration Consultant will keep you updated about the process which will save you from the pin of checking latest updates all the time. He/she will assist you while filling the forms as well which are important because single mistake in the form can lead to rejection of visa

application. Some consultancies also provide services like booking of tickets and stay after migration. The facilities also depend on the deal you had with the consultancies. Consultancies are usually present in all the metro Politian cities and other big cities and some of them are scattered over many cities in India.

Hong Kong is one of the most leading financial countries in the world and this makes it one of the most desired locations for immigrants, who want to upgrade their career.
