Many times you need additional space for storing your prized goods of personal as well as commercial nature. Such needs may arise anytime while renovating your home/ office or relocating to another residence or office. Itâ€™s natural for anyone to be apprehensive about the security and safety of the furniture and other important goods whether they are of personal use or commercial.

Sometimes you might need an office storage space for keeping your expensive furniture safe, as the new office isnâ€™t spacious enough to accommodate your bulky furniture. Or you might need this storage space just to ensure the furniture is kept in clean and safe conditions till the time itâ€™s not moved in it to the new place. Thankfully, there are reliable storage facilities, such as Mendip Self Storage, available in Bristol area.

Mendip Self Storage has facilities for self storage in Bristol where your business articles as well as personal belongings will be kept in the same condition as they were at the time when you sent them for storage. This storage company will assure you of:

Competitive rates

Absence of VAT, insurance

7days open

Free van for shifting

Availability of forklifts and cradles as well as packaging material

Furniture storage with such a firm will be both simple and absolutely free from all kinds of hassles and stresses. Once you have dropped off the articles at this storage facility, you can rest assured the storage facility is the best in the area. It is ensured that there is no termite, moisture seepage, theft or fire of any of your personal belongings or office articles.

This professionally run storage company has excellent space equipped with 24 hour CCTV system to monitor your articles for safety. They have a fire system in place along with a response alarm system to ensure the safety of your articles for business storage or office furniture storage (for short term as well as long term).

The storage units may vary between 15 sq ft and 200 sq ft and are available throughout the Southwest and Bath. In addition, these professionals will also help you decide the kind of space that will be needed to store your articles.
