Medical Billing Services - Get Customized Billing Procedures by Outsource Strategies International

Article published on April 23rd 2012 | Business

In healthcare organizations, it is quite challenging for physicians to manage their office and pay their bills along with providing dedicated patient care. Customized medical billing services help healthcare practitioners to concentrate on the health and well-being of their patients without worrying about medical billing and related jobs. These medical billing services are designed keeping in mind the particular requirements of clients. When you say customized, it indicates the kind of medical billing service that ideally caters to your specialty requirements.

Comprehensive Medical Billing Services

Comprehensive and customized medical billing service will ensure speedy collection of reimbursements and customer satisfaction. You can request for the following medical billing outsourcing services from a recognized medical billing company:

â€¢Patient Enrollment

â€¢Demographic information

â€¢Insurance information

â€¢Verification

â€¢Insurance verifications

â€¢Authorizations

â€¢Coding

â€¢Billing and Reconciling of Accounts

â€¢Charge entry

â€¢Cash posting

â€¢Reconciliation

â€¢Accounts Receivable Collections

â€¢Insurance collection

â€¢Patient collection

â€¢AR follow up and collections

Advanced Technology and Professional Medical Billers

Outsourced medical billing solutions are provided with the support of advanced technology and knowledgeable workforce. The medical billing specialists make use of advanced billing software

such as Medic, Lytec, e-clinical, Eclipse, Misys, Inception, Medisoft, IDX, Medical Manager and NextGen to carry out all medical billing services. The customizable interface enables clients to continuously monitor the progress of the billing and coding, and access all the information they need anytime and anywhere. The system provides live analysis of the progress of each file. Customization also extends to the turnaround time. Even though the turnaround time varies from 12 to 24 hours, it can be personalized to your specification or needs.

Customized medical billing services are in great demand as more and more healthcare professionals are realizing the advantages of personalized medical billing solutions. A client-centered medical billing company provides medical billing services to individual physician offices, clinics, multi specialty practices, hospitals and other healthcare entities. Medical billing service is available for all medical specialties including cardiology, chiropractic, nuclear medicine, pediatrics, general surgery, radiology, family practice, dermatology, dentistry, oral and maxillofacial surgery, occupational therapy, and pain management.

A medical billing company is an essential partner for any successful practice. The right one will greatly strengthen your practice, and make it easier for you to concentrate on your patients. Reliable medical billing companies can assist with customized medical billing services well tuned to meet your practice requirements.
