The benefits of Tyvek Wristbands by [Mary Porter](#)

Article published on July 17th 2012 | [Business](#)

Tyvek wristbands are one of the most popular choices for companies that are looking for economical wristbands. Wristbands are used for a wide variety of different purposes and by many different organisations and businesses. Popular uses for Tyvek wristbands are for theme park entry, night club entry, attractions, events, charities, concerts, party centres, brand awareness and many other uses. There are lots of options when it comes to choosing Tyvek wristbands as they are available in wide range of colours and can either be plain or printed onto to personalise them for your company, brand or event.

The range of colours that you can purchase Tyvek wristbands in includes neon yellow, salmon pink, neon blue, green, red, gold, silver, sky blue, black, orange, royal blue, neon purple, yellow, neon lime and white. Many companies that are purchasing Tyvek wristbands will choose colours that represent their company logo or a particular one of their brands. Tyvek wristbands can be personalised with images and text either in one or a number of colours. All the Tyvek wristbands are a standard size which is 1" x 10". The print area for any personalisation is 20mm x 200mm. To secure Tyvek wristbands onto a wrist they have self-adhesive tamper evident seals and the only way to remove them is to cut them off. This means people cannot take them off and give them to others for safe access control Tyvek wristbands are fully adjustable and will fit both children's and adult's wrists of sizes. They are waterproof and will last for up to 48 hours easily.

If you're looking for more permanent wristband solutions then silicone wristbands UK are a very popular choice. Companies that make silicone wristbands UK will offer a wide range of colours and design features such as embossed, debossed, printed or plain. Silicone wristbands UK are ideal for promotions, advertising and charity and awareness campaigns and have become very popular in recent years. You can have your own personalised design or message put onto silicone wristbands UK. Silicone wristbands UK are lightweight, comfortable, washable and durable and come in both adult and junior sizes to meet any requirement.
