Boys designer clothing by [Crispin Ross](#)

Article published on May 16th 2012 | [Clothing](#)

This season the fall/winter collection of young boys saw a new trend in leather. For the young guys designer leather jackets and coats are available in various styles such as buffalo hide jackets, trench coats, lambskin jackets and soft leather jackets. We see some famous designers start their line of designing for the young generation like D&G, Roberto cavalli, Calvin Klein and Armani. Brands like diesel has also started boys leather biker jackets. The fashion week in Italy saw young boys walk the ramp with the latest collection of leather jackets for fall/winter 2013.

Boys coats have been launched in various styles not only there is difference in fabrics but also different styles and patterns, with unique color story and fabrics story. The change in boys coats saw a very different styling in form of prints and embossed patches along with metallic zippers, patch pockets, zippered cuffs, belts on waist tie ups on sides to adjust the fit and a lot more accessory to redefine the style of little guys. Not only the designs but designers have also worked on the functionality and durability of this kids wear range. The coats are specially designed to be waterproof as well as warm and cozy with hood which is windproof. Armani has taken this at a very different stage using various fabric combinations and unique color combinations. The variety of coats and jackets this season is endless. Apart from the styles warm padding in jackets and adjustable snaps gives it a more comfortable fit.

For a perfect match these days parents prefer to make their kids wear the perfect shoes for the occasion. For a sporty look either converse shoes in various colors like red, yellow, green, orange are worn by kids which are comfortable as well as stylish or sports addicted kids prefer to wear tennis shoes, basketball shoes or running shoes of various sports brands like puma, adidas, nike, reebok and a lot more by copying their favorite sports star. For formal occasions parents want their little ones to look formal as their daddy. Shoemakers have developed a variety of leather shoes for the young gentlemen which is as comfortable as any sneakers or loafers and best for any formal party. For those little cowboys saddle shoes and cowboy boots are a perfect match. Many design houses offer these designs for kids. This shoe reach above the ankle of the kid and has a leather strap and rubber sole to give it a more stylish look. For the casual category of kids sneakers and loafers are the best loved shoes. These are the most comfortable ones and keeps the kid relaxed throughout the day. For a perfect occasion shoes are available of all kinds for the little ones.
