As the New Year is just a couple of days away, most people are busy replenishing their wardrobe collection for the new year's night party and the celebration on 1st day of 2012. Even though most females will choose to pick up expensive gowns and evening dresses to grace the party, the chilling winter is certainly going to take a toll over the style factor. While most females will end up having seasonal flu and pneumonia in worse cases, the next morning, men will not be far behind. But, if you want to make the celebration both contending as well as healthy, then black t-shirts can be your choice. For males, it can be some extraordinarily funny t-shirts that will grab the attention as desired.

Sounds too drab to you? Black t-shirts for both male and female can never look less classy if you can pair it up with the right bottom and not to mention, the accessories. Black t-shirts blend too well with all sorts of complexion ranging from Caucasian and Asian to black. The choice of style of the shirts should certainly be your pick, depending upon your body-type. If you want to avoid the ice and snow, then go for a full sleeve, cotton pique with no decorations. For funny t-shirts, you can also choose a solid-colored tee with the quote emblazoned in white, beige or other lighter shades that stand out.

About the style of the concerned black t-shirts, you can pick anything as long as the style suits your physic and you can carry it off well. The Polo shirts with plain contoured collar and a couple of buttons can be great, if you have a strong built. Long Polo-sleeves with side vents and silky hands are excellent for both laundering and donning. The silk content in the fabric ensures less shrinkage. Hemmed bottom and side-seamed stitches make the shirts appear all the more body hugging. The anvil sport shirts are also great for winter times. Soft knit with welt sleeves and contoured collars, the shirts are great for wearers of all body types. Funny t-shirts, however, look best in half-sleeve t-shirts that are typical summer wears.

If, you want to try layering this year-end with the funny message flashing across your chest, then you have got to be a little innovative. Layering, which is typical to youngsters is a great idea to stay warm even when fashion is in full swing. Donning black t-shirts followed by the front open shirt is a good idea. However, since the rush of cold air is much more than bone chilling, you can wrap your torso with a few open front jackets so that your front remains visible, yet you are warm inside. Quotes for funny t-shirts are also provided by the service providers. You can pick one such quote that is hilarious enough to poke the funny bones of the viewers.
