School uniform should be followed strictly by the students as they are essentially required in order to maintain the decorum of the school premises. Instead of this strong fact there has been issues regarding whether there should be school uniform or not, many people think it is good and others conflict regarding this. There are number of advantages school uniform holds, some of the unavoidable benefits of the school uniform are:

-Discipline related problems can be solved by making students to wear school uniform and being in discipline will make the progressive too.

-School uniform have prime most benefit of the school safety, people can easily recognize the school going children and moreover, violence which students might create can be controlled with the use of school uniforms. It is safer and protective for the children as if they wonâ€™t be allowed to wear expensive dresses and accessories, then the chances of getting kidnapped and theft will not be there.

-School uniform creates equality among the students, because of the fact that students wear same School uniform and therefore children will not differentiate themselves on the basis of the clothes and will spend time happily with each other. As it is common tendency of children, to acquire the dress which they look at their friends, school uniform will eradicate this fact.

-School uniforms are not so expensive like other party wear dresses of the children and hence they are easily affordable and it is easy for parents to purchase school uniform.

-School uniform creates school spirit that is they help children from getting their minds distracted from other thing like watching other childrenâ€™s clothes and therefore children will concentrate on studies only. With this concentration of the studies the overall performance of the school will be increased.

All the above stated advantages proved that the school uniform is very essential in the schools. School cardigan is most popular among school uniform and is very popular outfit, mostly because of its flexibility, as it can be worn with any type of clothing. School cardigan is available in many designs like; buttoning, zipper, and many more. In order to give trendier look to the children in the school uniforms cardigans are available in short sleeves and full sleeves, one can choose according to their choice.

Modern time has changed and is no more like earlier traditional time, in which school uniform is confined to navy blue blazers only, now children wear school cardigans so as to provide themselves with stylish looks even in the school uniform.
