# Satin Ribbon â€“ Use it for Decoration

by Julia Roger

Article published on January 23rd 2012 | Clothing

Satin Ribbons have always been a preferred choice for variety of reasons. Inexpensive and lovely they meet the needs of the crafting activities and can easily attract anyone. Available in various colors, patterns and designs these ribbons serve well for marriage ceremonies and wedding dresses.

With a little bit of effort and creativity you can now easily make any occasion special and adore any gift with these beautiful Ribbons. They are also used to festoon floral bouquets and are even draped over the area where the wedding vows are taken..

A satin ribbon embodies romance and hence is perfect for wedding jewelry. These ribbons add grace and elegance to your wedding ornaments. Just tie up the strands of beads with these ribbons and add flair to the bridesmaids ornaments. You can even add a satin bow matching the color of the bridesmaid gown thus providing an attractive look to the dress. Apart from jewelry, these ribbons can even be used for decorating the wedding venue. In order to keep your expenses low you can easily create wedding invitations with ribbons which will provide them a pleasing appeal.

While talking of wedding season, these ribbons can be used to decorate wedding cakes. Using the ribbon like this makes it easy to coordinate the cake with the color scheme of the bridal party. Satin Ribbon can be wrapped around headbands and hair clips to make lovely accessories for children and young girls. Ribbons can also be cut into lengths and used as hair bows, either attached to a barrette or simply wrapped around a ponytail.

Whatever occasion it might be, satin ribbons definitely suit every purpose and need. Just use these simple ribbons and you will not feel the need to use any other decorative accessory to make your event memorable.
