There is no doubt that Calvin Klein underwear has established global market leadership in the world of underwear. Its success lies in a number of factors. First of all, Calvin Klein underwear is comprised of innovative and cutting-edge designs, superior fabrics, and the best quality and fits one could possibly imagine. Calvin Klein underwear has become synonymous with trendy, sexy and perfect fitting underwear.

Calvin Klein underwear has truly transformed the entire industry, bringing in trendiness and fashion to a world where underwear was only sought for comfort. Therefore, not only does Calvin Klein underwear include basic underwear garments, but it also comprises of fashionable underwear items that cater for unique individual tastes and preferences. Furthermore, Calvin Klein underwear produces the most unique color combinations, offering a classy yet understated touch to its underwear ranges.

Calvin Klein underwear continues to offer the world's best fits, designs, and fabrics in order to bring out the best in any human body. When it comes to male underwear, Calvin Klein offers a wide range, including but not limited to simple cotton underwear, stretchy cotton underwear to sporty underwear and synthetic briefs. Calvin Klein offers the widest range of underwear possible in the market, so whatever fit, size, shape, and fabric you are looking for, you will be sure to find it in your favorite color and pattern.

So what are some of the best Calvin Klein underwear pieces? Although the list is endless, it has been narrowed down to the following items. According to worldwide consumer tastes, Calvin Klein's woven slim shorts are an ultimate favorite. These boxer shorts are extremely lightweight, and are made of the most comfortable cotton. Moreover, woven slim shorts come in a flattering slim fit to bring out your best assets. Best of all, their waistband is made of elastic, providing further comfort and a better fit for their wearers.

Another type of undergarment that is a rather popular fit is the pro stretch reflex trunk. This is an especially popular undergarment for active sportspeople. It is made of a light and stretchy moisture absorbing fabric, and is made for rather active individuals since it is sweat proof and waterproof. Also, it is great for people who do not work out either, and is perfect for everyday wear. The third raved about undergarment produced by Calvin Klein is the X cotton range. These underwear items are super soft and stretchy, providing the perfect fit for men. It truly accentuates any body shape and type. Moreover, Calvin Klein's slim fit boxers are a huge global hit. They are made of pure cotton and truly fit like a glove, providing the most perfect fit possible.

Calvin Klein's hip briefs are also widely popular. They have the perfect rise, and come in the most comfortable fabrics, patterns and textures, making them a huge hit. Finally, Calvin Klein's modal boxers are an ultimate favorite. They are super soft, flexible, and are capable of defining any type of body. Although these are the top rated five Calvin Klein undergarments by consumers around the world, it is still advisable to check out Calvin Klein's full range offered in millions of online stores in order to select your perfect underwear.
