Article published on April 24th 2012 | [Computer](#)

Acer Iconia Tab A501 is the most advanced and compact laptop model which has gained a special place in the market among all those sleek and compact gadgets. This is among those high class tablets which are reasonable than many other tablets boasting a stylish design, multiple ports and now 3G make the Iconia our pick of the Android tablets. This new pick from Acer laptops has been impressive and is enabled with all the advanced multimedia features.

As per the reviews it has been believed that the Acer Iconia Tab is the best Android tablet. Moreover, it is set quite powerful with respect to the hardware quality and is in perfect match with Honeycomb version of the Android OS designed by Google specifically for tablets. It is as polished as the iOS operating system and seen in the much loved Apple iPad.

Its performance is set quite fast NVIDIA Tegra 2 T250 (1GHz) processor which is perfectly accompanied by 1GB of RAM. The screen resolution is perfect and crisp with power 1,280 Ã— 800 pixel resolution on its 10.1in capacitive screen. The key aspect which makes this laptop an adored version is its wide screen which has a 16:10 aspect ratio that facilitates watching HD movies at full screen, without the black top and bottom bars. The users are also quite impressed by the iPad's 4:3 display. Acer Iconia Tab A501 also renders a perfect playback 720p HD which comes accompanied by the upgraded via software to 1080p full HD soon.

This Acer tablet PC also brings along the stereo speakers which are surprisingly good and generates exceptional sound making this tablet a real entertainment powerhouse. Further, this high grade model has 16GB of flash drive storage which is easy to be supplemented using the Micro SD slot.

Acer Iconia TAB A501 has another important aspect which counts on the selection of ports and slots. The laptop model is a full-sized USB 2.0 port, a Micro USB 2.0 port and a Micro HDMI port for streaming video to TV.

It also envelopes a 5MP back facing camera along with a 2MP front facing camera which makes it easy to take snapshots. The laptop model also sports 802.11 b/g/n Wi-Fi along with Bluetooth 2.1 which ensure easy connectivity to other devices. As another additional attribute, the laptop boasts the presence of 3G that enables easy surfing the internet. Compare Acer Iconia Tab A501 price in the list of tablet price in India.
