Players May Suppose How to Avoid Cheating in Runescape by [My Blog](#)

Article published on June 24th 2012 | [Computer](#)

There are abounding means RuneScape players accept to betray or ambush added RuneScape players for claimed gain. Such backbiting methods can ambit from acutely simple to absolutely complex. You'll be afraid by how busy a scammer's arrangement ability is. Either way, you have to accumulate an eye out for such backbiting pixel-lovers...

Watch the additional barter awning carefully afore accepting. The January 2nd amend makes this betray impossible. Because you cannot barter out of the 3k absolute (for non-members) and up to 30k for members. Even Mithril is annual added again 3k, so as declared afore this no best applies.

Avoid any and all "trust trades". This may complete like a torn record, but now acknowledgment to The January 2nd update, it makes this betray impossible. You cannot accord anyone added again 3k so assurance tests cannot be done.

Know what the "true" amount of items are if trading. The January 2nd amend makes this betray impossible. Whenever you barter an annual it now shows the amount of the item.

Beware of apprehensive jobs. Do not attack to yield the Wine of Zamorak for anyone, unless you annihilate all of the monks first. If they say that you shouldn't annihilate the monks, ask them why they don't get it themselves, again leave.

Keep your countersign to yourself! This cannot be fatigued anymore than it is. Treat your countersign like a acclaim agenda or amusing aegis number! Even if it's a about or acquaintance appropriate next to you, one activity may change your annual significantly.

Do not anytime go to the wilderness to trade. Don't even appear abutting to the canal with your admired items and money. Some players may say they wish to barter about abutting to the arctic but they are in fact aggravating allurement you into the arctic so that NPCs can annihilate you.

Tips

Don't accept to anyone allurement to chase them. Most likely, they'll advance you to the Wilderness & annihilate you. A advancement is to acquaint them that you charge to go to the coffer aboriginal & see how they react.

Before accordant to a barter on the forums, ask the amateur area the barter is traveling to yield place. Sometimes players action acceptable items for a low price... But wish you to accommodated them in the average of the Wilderness.

You may aswell wish to add the amateur that you are trading with to the acquaintance account so if they log out and you don't bethink their name you can consistently archetype it from your acquaintance list.

Warnings

Do not corruption this guide! This adviser is not meant to acquaint you to scam! Scamming is actionable and you can and will be banned for it!

If you do get affronted at a scammer, artlessly avoid him/her, about-face worlds, or affably

acquaint them to go away. However, do not affirm or use abhorrent language. This will aftereffect in you accepting banned or aerial in the game. Report the bluff quickly.

Also you can alone get scammed up to 3k in nonmembers and 30k in associates max if you anytime apprehend the rune knowlegde abject forums.
