A Lifetime Experience During Nepal Tours by Nikita Martin

Article published on April 10th 2012 | Destinations

Nepal is a country in South Asia located in the Himalayas. It showcases the natureâ€™s beauty at its full form by offering breath taking views of the Himalayan Mountains. Nepal is the country which has the tallest mountain in the world called the Mount Everest. Nepal is lately attracting all types of tourists across the globe. It is also turning out to be one of the best tourist locations in the Asian continent. Nepal is a country for both adventure lovers as well honeymoon travelers or even for those who travel to enjoy the scenic beauty.

Nepal is the toughest place for those who yearn for adventure sports. Since, Nepal is located in the Himalayas there are many mountains and trekking routes which are well cherished by the adventure lovers. There are also other adventure sports such as bungee jumping, river rafting and mountain biking. During mountain biking, you can get exotic views of the location from the mountain which is an experience which should never be missed. Snow games such as skiing and others are also available. There are also helicopter trips to view the top of the Himalayan Mountains which include the Mount Everest. Hot air ballon rides, paragliding, kayaking, jungle safaris are a few adventure sports played in Nepal.

Katmandu is the capital of Nepal. Your visit to this cultural place of Nepal offers peace. Buddhism and Hinduism is followed in Nepal. There are many Buddhist monasteries and Hindu temples located in Katmandu. The Lumbini which is the birthplace of Lord Gautama Buddha is also located in Nepal and is a world heritage site. Muktinath temple is the sacred place located in the Muktinath valley. This is considered to be a sacred place for both Hindus and Buddhists. Katmandu is also the cultural capital of Nepal and thus offers a peaceful atmosphere with a great scenic beauty.

Nepal also hosts a wide variety of bird and animal species and you can have a great view of the animals in Royal Chitwan national park. This national park located in Nepal has around almost around 450 bird species and around 45 species of mammals and amphibians. This wildlife can be enjoyed by elephant safari or can be enjoyed with the four wheeled drive cars.

Nagarkot is a place to visit as a part of the Nepal tour. This place is largely visited by tourists mainly for its scenic beauty. Being in nagarkot, you can enjoy the complete 360 degree view of the Himalayan Mountain as well as the Katmandu valley. This is possible by standing on the lookout tower located in the Nagarkot region of Nepal. Enjoying the sunrise with the cool breeze is a memorable experience that you would cherish forever. Nepal is also a honeymoon destination for couples where Himayan Mountains with its snow filled peaks offer exotic views.

These are a few tourist attractions in Nepal. You can plan your trip and accordingly book a package tour. The package tour would cover all these places at affordable prices. The package can be chosen according to your choice of trip and location.
