A Memorable Trip to Leh Ladakh by Nikita Martin

Article published on April 23rd 2012 | Destinations

Ladakh is a valley with high mountains on both the sides. If the vacation is spent in this place we will surely get a small spiritual touch. The Karakoram Mountains is there in the north and the Himalayas towards the south. The capital of Ladakh is Leh. The people who come to see ladakh will start the journey from Leh. There are a lot of Buddhist monasteries, peculiar lanes; beautiful view of the mountains, a beautiful handicrafts market makes Leh extraordinary. There are lots of adventurous sports which the travelers can take up. Some of them are biking tour; adventure biking, mountain biking, trekking, river rafting and mountain climbing. There is safari on the Yak, Camel and jeep.

Leh is considered as one of the best trekking place. There are many tracks for trekking. Some of the tracks are for learners, some are moderate and some are for the people who are well versed in trekking. The people who go for visit to Leh can see to the local culture of the people. The views of the Himalayas are eye catching and give a spiritual experience. There are different tour packages available for the tourists who visit this place. Besides the beautiful view of Himalayas there are many monasteries of Buddha which is very ancient. The Spiritual mentality will surely start here even for the people who will not think about spirituality.

This a historical place where there are many monuments to be visited. The people who are interested in history also will find this place very interesting. There are many packages which are offered in cheaper rates to attract the people. The sports of trekking are very much practiced here and the people who are interested in this will visit this place often. The other entertainments like the safari rides, cycling and climbing is aloes there for the people to avail thrill.

The people who undertake trekking are given information about these sports and all the necessary safety measures are followed to avoid any accidents. The tour packages contain comfortable hotels for the stay of the visitors. The hotels are situated where the landscape will be beautiful and the tourists will enjoy the beauty. Leh is situated near Himalayas and is chilling cold. To avoid any discomfort to the visitors the hotels have heaters to give the necessary heat. The room service is very quick and there are many lip smacking recipes available for the tourists. They can relish the local delicacies also.

Leh is completely isolated and offers complete nature beauty to enjoy. There are many luxurious hotels to stay. The quiet environment will give mesmerizing moments for the people to spend with their family. Out of the urban life and out of the noise of the traffic it is a place which will be really enjoyed. The rate of the packages will depend on the number of days to be stayed. The packages are completely affordable and the people who visit this place will surely enjoy the visit.
