Rail tour is one of the most preferred ways of exploring Brahmaputra region in North East. There are many packaged tours that are conducted for the tourists to explore this part of India. Normally, Brahamaputra rail tour is that of seven nights and eight days and covers places as Guwahati, Kaziranga National Park, Tezpur Archeological heritage places, Mayong and the Pobitora Wildlife Sanctuary along with the museum, Tribal village and Sand Island, pilgrim places situated in North Guwahati including the temples, Sualkuchi village and other sightseeing in Guwahati.

Many tourist attractions await visitors in the North East vacations. They can cruise on the river Brahmaputra, can stay in the jungle loge and do wildlife safari, view the enchanting Himalayas, experience the process of silk weaving enjoy various cultural shows that take you to the locals of this region and enjoy gourmet food of this region in one of the quite barbeque dinner at the Sand Island.

Rail tour is what people prefer doing to explore the Brahmaputra region as nothing can show the beauty of this region in the manner that going through the various villages and town through train can. As one reaches Guwahati, there are various places to visit including the famous Nilachal Hill Kamakhya temple and the Kaziranga National Park, where one can stay in the jungle lodge to add to the adventure. The kind of flora and fauna one can catch at Kaziranga are rare and the elephant safaris are uite an experience. North East vacations are incomplete without the cruise to Silghat where one can enjoy the cultural programs too happening at evenings.

A cruise till Tejpur is dream come true for the history lovers. There are many archeological heritage places to explore including the Da-Parbatia temple, Mahabhairav Temple, Agnigarh and the beautiful Bamuni hill. One cannot miss the Sand Island when on North East vacations which offers a laid back experience.

When you do rail tour of Brahmaputra, you can enjoy the enigmatic Himalayan peaks too while heading towards Pobitora and Mayong. It is one in a lifetime experience and one of the prominent reasons why so many people prefer traveling by rail here. Visiting Pobotora Wildlife Sanctuary for an elephant safari and enjoying the local culture of this place through various cultural shows, tribal dances and visiting the pilgrimage of this place called the Hajo would engrave North East vacations in your memories for a lifetime.
