Though there are many hotels situated in Ganapatiphule but one of the best places to stay is a two star property which is located very near the main temple. It is called Hotel Duryankur which offers many air conditioned and non AC rooms. There are elevators in the hotel which can be used by the guest and ample of parking space is available in the hotel itself. Other than these services, all Ganapatiphule hotels offer a very prompt room service, amiable staff and hospitality at its best.

Other Ganapatiphule hotels which should be mentioned here are Shiv Sagar Palace and Blue Ocean Resort and Spa. Blue Ocean Resort and Spa situated close to the main shrine is a huge property. In fact, it would be the largest of all Ganapatiphule hotels. It has villas made in the Portugal style, a multi cuisine restaurant for its guests and a cafÃ© called the Atlantic. It gives an excellent view to the tourists owing to its location close to the beach and has a very quiet environment that tourists are looking forward to after their busy and hectic daily life.

One of the many Ganapatiphule hotels that need to be mentioned here is the Atharva Residency which has five bungalows of identical shapes to offer the guests. This place will give you the ambience and feeling of staying in home and these MTDC terraced bungalows have every facility that one would require like two bedrooms, a television, and invertor to look after the power cuts, water supply and also serves pure vegetarian food.
