Marriage marks the beginning of a new epoch altogether. The old rules and practices have to change. Till now you were a solitary bird looking your own things. But now you have a partner by your side. A partner with whom you can share your joy and jubilations and trial and tribulations.

Honeymoon apart from a period of enjoyment is a time to prepare for married life. During times of intimate seclusion you can share your experiences of yesterday and dreams for future. Above all, you will wish for an exquisite setting and unique experiences from the honeymoon destination.

India could be the ideal location you are looking for. With its various locations which demonstrate a unity in diversity India holds promise of a memorable and enriching honeymoon. Do not forget it is a land which produced a treatise on love and includes erotic sculpture in temples giving love a divine dimension.

You can pick from various destinations throughout the country or choose unique regions which offer numerous attractions. Kerala – God’s own country, Goa – the beach paradise, Kashmir - the heaven on earth, Rajasthan – where folklore walks on street are various regions you could select from. Then there are other locations like Darjeeling, Manali, Simla etc.

Luxury honeymoon packages are available which provide for expensive and cozy amenities. Air conditioned travel facilities and luxurious five star accommodations are provided. In Rajasthan you can make love in erstwhile palaces.

Shimla, Darjeeling and Manali are the more sought after hill stations of India having their own reputation. Manali honeymoon packages means spending some time together in the chilly weather and savoring the breathtaking landscape. While in Manali you can have the view of towering mountain peaks, snow covered on one side and orchards, fields and trees on the other side. You can stroll in the banks of Beas river holding hands while its clear water meanders by. One thing to be noted of Manali is that unlike other hill stations in India, it does not have colonial vestiges.

Kerala is a paradise dear to God. Such is its blessing by the immense beauties of nature. Honeymoon packages for Kerala means enjoying its various assortments like pristine beaches, mist shrouded hill stations, winding backwaters, exotic wildlife sanctuaries and suave art forms. Kovalam is the prominent beach destination of Kerala. The fact that it has retained its innocence despite being highly commercialized and crowded will endear Kovalam to you. The seas of Kovalam are shallow and safe for swimming. The white sandy beaches are inviting for sunbathing.

Munnar is the mist blanketed hill station of Kerala blessed with salubrious climate. Endowed with bounties of nature galore, you can try a hand at trekking and mountain biking. You will be treated with breathtaking views. There are also many sightseeing spots nearby.

Backwaters are an unique Kerala phenomenon. Failing to savor it you stand to lose the complete experience of Kerala. The shores and backwaters together make for fascinating landscape. Kumarakom is the destination which honeymooners normally prefer to savor backwaters. It is an idyllic village blessed by bounties of backwaters. Cruises in Houseboats through backwaters relishing the landscape are memorable affairs. Houseboats are luxurious affairs with air conditioning provided. Spending a night in Houseboat docked in backwaters is a blissful episode.
