What Goa is known for includes its lovely beaches, tropical sea-side villages and artistically built churches and colonial buildings. However, modern developments, exotic entertainment and healing ayurvedic treatments also allure visitors in hoards. When you're on a trip to Goa, it's hard to surpass over the magical grace of its luxury resorts and hotels. Well- equipped with world-class facilities and superb Goan hospitality, these luxury properties give the vacationers a remarkable accommodation experience. Plenty of options are there to choose from, when it comes to luxury accommodations in Goa. Here's my pick of Goa's most celebrated resorts & hotels in luxury category.

With amazing landscaping and green & quiet atmosphere, the property gives a feel of entirely different world just after you enter the gate. Lovely flowers & plantation, sweet chirping of birds and excellent waterways inside the property provide the guests with relaxing and rejuvenating feel away from the madness of Goa. But if you like fun & recreation, the Leela has it too. A well-equipped game room, swimming pool, gym and various means of entertainment are available in Leela to cherish with. Good spacious room, alluring hospitality and superb dining are additional gems of this five-star Goa property.

**Taj Exotica Goa:** Stay in Taj Exotic to have a true 5-star experience with refreshing atmosphere and all modern amenities. This 50 plus acres of property is built on Calwaddo, Benaulim, and offers soothing scenery of surrounding waters and palm trees. The rooms are well-decorated and are spacious enough to provide comfy stay. Contemporary amenities, inspiring hospitality and a good selection of recreational activities make it worth staying in Taj exotica. At the hotel, you can enjoy pool, archery, TT, Cricket, golf, cycling and many more games.
