Singapore tour: Singapore is an exotic land of fantasies and dreams by [Ajay Kumar](#)

Article published on February 11th 2012 | [Destinations](#)

Tourists from all over the world fly in for that much desirable tour to Singapore since this Asian country has everything to offer to everybody. From exotic shopping destinations to virgin beaches to adventure sports to wildlife delights to historical wonders, Singapore gives you all.

If you are tired and bored of your routine existence and are eyeing a refreshing holiday, then there can be nothing better than a Singapore holiday. I say this since this country is a hub of an array of cultures and is a mind-boggling place for sightseeing. Expect the best of everything in Singapore because this is one of the richest countries in the world and has all sorts of luxuries present in copious amounts. It so effortlessly furnishes those gleaming high-rise malls before you and presents the world's tallest structures that seem to reach stratospheric heights. Yet a tour to Singapore is not just about sophisticated shopping and posh restaurants.

Nature at its best: A tour to Singapore conjures up the true glory of nature. Singapore, being located in tropical region, is vivid and rich in flora & fauna. It has some dense jungles and wildlife parks which are best explored through wildlife trips. The Botanical Gardens houses some exotic plants and rare species of flowers. It is a heaven for jogging & a lazy stroll and comes with adjoining food courts & cafeterias. The Singapore Zoo is another must-visit since the place is home to creatures from all over the world. The country also happens to boast of Asia's largest bird sanctuary in Jurong Bird Park. From screaming macaws to penguins, there are over 600 species of our feathery friends from every part of the planet.

Sentosa Island: Your Singapore holiday also drops you to the wild & beautiful Sentosa Island, a delight for sea lovers and a place where you can swim, surf, ski, sail and paraglide. Scuba diving, snorkeling, fishing, beach games and aerial sports- you have them all. Sentosa also has a powerful history which is evident in the shape of a hoard of museums, monuments and old buildings & cathedrals. It also houses the postcard landmark of the Statue of Merlion and the pacific towns are extremely effervescent and panoramic.

Shops and foods: Your packages to Singapore bring you closer to living your shopping dreams in exotic destinations like Chinatown, Orchard Road, Mustafa Street and Haji Lane. Seeing the sparkling gleaming restaurants, your belly will screech for more and more food which includes both exquisite local cuisines and delicious global delicacies.

Overall, a tour package Singapore is the perfect way to spend a family holiday or a honeymoon. How can you ignore the tempting call of a Singapore holiday? It would be just preposterous!
