Every bride deserves to enjoy her last few days of single dome. The best way to do that is by having a hen weekend, not just a party before the big day. A weekend would be perfect for the bride and her friends to unwind and have a good time without worrying about the big day.

Hen weekends are all about fun and no fun is complete without party. If you want to party all day and night then ibiza hen weekend is for you. Located on the Mediterranean Sea this Spanish island is the party capital of the world.

This island has its own airport, so reaching this party capital is not a problem. When it comes to accommodation, there are many good hotels and cottages available. You can find one that suites your taste and budget because people from all walks of life come here. Thus, there is something for every pocket.

When it comes to spending time during your ibiza weekends, you will never run out of option. In the mornings, there are plenty of beach side activities to enjoy, from speed boating to water skiing and parasailing. If you want some quite time then you can stroll around the beach and have some fun time with your women at the cafe's and restaurants that is located near the beach.

As for the nighttime, there is nothing else to do other than party. There are many clubs in this town most of the famous ones are located at Ibiza town and Sant Antony. The party never stops it goes on from dusk until dawn and in mornings too. A weekend is not enough to do justice to every club, so the best thing you can do is club hopping all night and have fun. Thus, Ibiza hen weekend is perfect for any bride to be who wants to have some fun.
